

DKD-01

CIRCUIT TESTING DRIVER

- AC80~250V, DC100~300V
- For continuity & transmitting test
- O.A. Length: 129mm

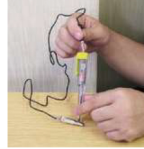

DKD-03

LED CIRCUIT TESTER

- AC100-250V (Low voltage use)
- High brightness LED built-in
- Continuity check of circuit
- Polarity check of electric outlet
- Blade (3.0 x 0.4mm) with protective cap
- O.A. Length : 120mm

Continuity check
